

YMCA Tennis Center Racquet Stringing Request Form

Once completed, please attach form around the grip of your racquet. Your racquet will be ready for pick up from the front desk after 3 full business days. Payment due upon pick-up.

Drop-off Date: _____

Full Name: _____

Phone #: _____

String Type:

_____ Synthetic Gut 16 (\$32) - basic durable string for everyday players

_____ Wilson Sensation (\$36) - for mid-level performance players

_____ Wilson NXT (\$42) - for mid to high performance players

_____ Hybrid - poly & synthetic string (\$40) – for high performance players

_____ Poly (\$40) – for high performance players who hit w/heavy top-spin

_____ Member provided string (\$20)

Tension level: _____

Check your racquet's recommended tension level printed on the throat of your racquet, right above the grip. A balanced tension recommendation is between 55-58 lbs. Higher tension results in more control. Lower tension results in more power.

Replacement Regrip (check if desired): _____ (\$11.95)

Please remove this half of the page and wrap/adhere the completed form to the left around the grip of your racquet.
